### KITS & HOME BUILDER PARTS

For those of you who prefer to build your own locomotives but lack machining facilities, we offer the following range of chassis and parts as used on our own engines. By building it yourself, not only are you saving money, but you will have the satisfaction of producing your own working model, and being modular, you can buy each kit separately and build at your own speed. You don't even have to buy a full set of kits, you may want just the chassis and fit your own boiler and body, or a chassis and boiler then build your own body to suit, it's as flexible as you make it. Painting of all items is left to the builder.

Code	Locomotive and Tender Kits	Pre. VAT	Inc. VAT
HBK1	:HBK 1 Billy, Katie & George Chassis Kit	345.83	415.00
HBK10	:HBK10 Lady Anne R/C Fittings Kit	33.33	39.99

**POSTAGE & HANDLING (UK Mainland only):-**

All locomotives, Next Working Day ..... £18  
 Locomotive kits, Tenders, Track (1 or more items), Next Working Day ..... £12  
 IOW, IOM & Northern Ireland - surcharge of £12 on the above prices.

**All other items:-**

Our Postal Service has become quite complicated and is now priced according to weight and size. This makes it difficult for us to estimate postage costs for many packages where multiple items are sent together. Postage is either £3.20 or £4.99 depending on the size and weight of the goods when packed. We will always charge the lesser amount where possible.

**Overseas postage** - please enquire.

**VAT at 20% where applicable.**

If we sell goods or Locomotives to any country that is a member of the EU then VAT at 20% is applicable and this price is listed in the column headed 'inc VAT'. Any country that is not a member of the EU does not pay VAT and the price is listed under the column 'pre VAT'. Please be aware that when we ship outside the EU, local import duty / taxes may be charged directly to you by your government.

Payment by 'MasterCard', 'Visa' or Debit Card. Cheques and Postal Orders should be made payable to **ROUNDHOUSE ENGINEERING CO LTD and drawn on a British Bank.**

**TERMS OF BUSINESS.** Roundhouse Engineering Company Ltd. reserves the right to alter any prices or specifications of models or materials without notice. Please check delivery times on all locomotives before placing an order. Delivery times quoted are approximate and are subject to change. No deposit required on locomotives, payment in full on completion. Full remittance with order on all other items unless otherwise advised. Errors and Omissions Excepted.

Our showroom is open at the following times:-

Mon - Thur  
08:30 - 17:00 hrs  
Friday  
08:30 - 14:00 hrs

Closed Sat, Sun & bank holidays.

Please telephone in advance if you wish to visit.

# ‘David Lloyd George’

The live steam model that people have been waiting years for is finally here.

Developed and tested over the course of two years, David Lloyd George represents another leap in precision model engineering. Featuring a wealth of detail, coupled with our legendary reliability, this locomotive will be the pride of any garden railway.

See the Roundhouse website for more details on this amazing model.

# ROUNDHOUSE

## 'Jennie'

Jennie is the fourth locomotive in our 'Basic Series'. Offered in a ready to run form as illustrated above, this simple, slip-eccentric, internally gas fired model can be easily enhanced by the customer, using our accessory packs and loco enhancements. Conversion to radio control is also a simple undertaking with the majority of the equipment safely stored in the tender.

### **Technical specifications for 'Jennie'.**

- \* 0-4-2 inside framed chassis with double acting slide valve cylinders operated by slip eccentric valve gear.
- \* **Internal gas firing using our 'FG' type burner.**
- \* Controls fitted as standard are: - steam regulator, safety valve, displacement lubricator and gas regulator.
- \* Overall dimensions of loco are: - length 270mm, width 107mm, height 155mm, weight 2.4kg.
- \* Overall dimensions of tender are: - length 150mm, width 107mm, height 105mm, weight 0.8kg.
- \* 32mm or 45mm gauge (non adjustable). Please state gauge when ordering.
- \* Accessory packs available are: - pressure gauge, water top up system, polished safety valve bonnet and radio control fitting kit.
- \* Available in any standard ROUNDHOUSE colour.

*Please note that insulated wheels are NOT available on this locomotive*
